2010 AAU Boys Basketball Commitment Form

I, _____, having been informed that I have made one of the NH Fastbreak AAU Boys Basketball teams for the 2010 season, commit to play on that team for the NH Fastbreak organization (the "Organization").

Having made this commitment, I submit this deposit of \$100 to reserve my spot on the U-____ team. I understand that this deposit is non-refundable should I decide to change my mind and not play for the Organization*.

I understand that this deposit shall be applied to the total cost per player to play for the Organization for the 2010 AAU season. Should the total cost per player end up being less than the amount of the deposit, the difference between that cost and the deposit will be returned to me.

We agree to the terms of this Commitment Form.

* **NOTE:** The only exceptions to the "non-refundable" policy will be any of the following:

1. A player applies for and has been approved for full financial assistance from the Organization, and the player remains with the Organization at least until half-way through the 2010 season (May 1, 2010). The entire amount will be refunded.
2. A player becomes injured before the start of the 2010 season (March 1, 2010) and is unable to play basketball for the Organization or any other AAU organization until after half-way through the 2010 season (May 1, 2010). The entire amount will be refunded on that date.
3. The Organization withdraws its offer to be on one of its teams for any number of reasons including, but not limited to, academic probation, excessive academic disciplinary action, report of criminal or civil disobedience or arrest, or reports of past behavior of excessive un-sportsman-like conduct. The entire amount will be refunded under these circumstances if this occurs before the start of the season (March 1, 2010). Note that the Organization will not rescind an offer to play on a team due to a "better player" being found at a later time.
